PHHE 486	6	
<b>Total hours</b>	<b>12</b>	
<b>Notes/Comments:</b> *EDTPA		

*Notes/Comments: This plan is an example of what a four year plan could look like for a typical student. Placement exam scores in math as well as the completion of coursework may change the plan. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester to discuss course scheduling. All requirements are subject to change by NIU.*

*Health Education students are also encouraged to complete a minor that will lead to an endorsement in an area such as physical education, English, Foreign Language, Science, Mathematics or Social Science. Additional coursework may be necessary.*
