Asynchronous online courses occur through online channels without real-time interaction and are taught 100% online, but do not have an assigned meeting time for the course. When you register for an asynchronous course in MyNIU, it will indicate the course is online (100%) asynchronous where the "room" is listed. There will not be listed course meeting times.

Asynchronous online courses occur through online channels without real-time interaction and are taught 100% online, but do not have an assigned meeting time for the course. When you register for an asynchronous course in MyNIU, it will indicate the course is online (100%) asynchronous where the "room" is listed. There will not be listed course meeting times.

Asynchronous online courses occur through online channels without real-time interaction and are taught 100% online, but do not have an assigned meeting time for the course. When you register for an asynchronous course in MyNIU, it will indicate the course is online (100%) asynchronous where the "room" is listed. There will not be listed course meeting times.
